

SATURDAY ACADEMY STUDENT PLEDGE

As students of Saturday Academy, we pledge to be on time; to be good listeners; to actively participate; and to follow instructions.

We are students of excellence. Our ideas, skills and creativity are tools to help us achieve our goals and dreams. We are committed and focused and we pledge to work hard to reach our potential.

We are leaders; not followers. We will show self-control and think before acting to make wise choices. We will speak up to be heard; and communicate when we need help or support. We are problem solvers; and together we will find solutions.

Our history is colorful, rich, and powerful. We will learn our history and embrace our culture, because in it we will find our strength; our magnificence; and our greatness!

We know that the Saturday Academy community loves us; cares about us; and believes in us--preparing us for our future. We know that education is the key to our freedom; and we know that to be successful, we must master it.

At Saturday Academy, we are a community...

In our community, we will be responsible; we will learn our best!

In our community, we will be respectful; we will be our best!

In our community, we will work with pride; we will do our best!

With the GREATNESS that's within you; and the GREATNESS that's within me...Together we will make this world the GREATEST place to be.
