Dear Friends of the 100,

On behalf of 100 Black Men of Syracuse Inc. and the youth we serve, it is our pleasure to invite you to join us for the **2nd Annual 100 Black Men of Syracuse Scholarship Golf Tournament**, scheduled for **Monday, September 16, 2024**, at the prestigious Skaneateles Country Club! The generosity and comradery of business and community members who attend promise to make this tournament a fun and incredibly impactful event. Last year, thanks to our sponsors and participants, the tournament netted \$50,000 for our organization, directly supporting our mission and making a significant difference in the lives of the students we serve.

Through education, mentorship and service, 100 Black Men of Syracuse serves 250 students each year as we are fully committed to improving the quality of life for young people and developing future leaders. Without your support and the contributions of other members of our business and civic community, many of those same students could face the difficult decision of putting their post-secondary educational dreams on hold. However, private philanthropy, *your* philanthropy, can do so much in helping us provide new opportunities for students to enhance their academic skills and prepare for a career and life beyond high school through financial literacy, entrepreneurship, community service and more.

As we prepare for the **2nd Annual 100 Black Men of Syracuse Scholarship Golf Tournament**, we hope you will consider supporting the event. Details on sponsorship opportunities are enclosed. If you have questions or need further information, contact Drake Harrison at (315) 679-2687 or by emailing 100bkmsyr@gmail.com.

Participating golfers will enjoy complimentary lunch, green fees, cart rentals, awards dinner, reception and more. Planned for the beautiful shores of Skaneateles Lake in Central New York's renowned Finger Lakes region, this year's event will be spectacular. We would be delighted if you join us on the links for a memorable day of networking, great food and, yes, golf.
